

Program Year 2018 Attestation

The Kentucky Medicaid EHR Incentive Program (Promoting Interoperability) team is in the process of gathering requirements, developing and testing the system for the Program Year 2018 changes.

Modified Stage 2 is tentatively set for release at the end of August and Stage 3 is tentatively set for release the end of September. The user manual will be available on the EHR website as soon as it is updated. More information will be share as it becomes available. In order to prepare please review program requirements.

KHIE Connection

Kentucky Health Information Exchange (KHIE) is the Public Health Authority in the Commonwealth for the public health measures within the EHR Incentive Program. In order to be deemed a Meaningful User the provider must have a signed Participation Agreement and signed addendum(s) on file with KHIE for each public health objective selected for attestation. Public Health guidance is available on the EHR website as well as the KHIE website.
